About Us

Founded in 2004, **ATEC Construction Limited** has achieved steady growth through innovation and a steadfast commitment to delivering high-quality workmanship and cost-effective solutions for its clients, all while upholding stringent health and safety standards. This dedication has culminated in the business celebrating over 21 years of successful trading.

We offer a comprehensive range of construction services to both private and public sector clients. Our commitment to excellence has earned us prestigious industry awards, along with key accreditations that enable us to secure positions on various frameworks, Dynamic Purchasing Systems, and approved supplier lists.

Today, we operate across London and the surrounding district councils, delivering high-quality construction services across the Commercial, Healthcare, Education, Leisure and Conservation sectors, as well as the Social Housing market.

ATEC Construction Limited excels in delivering high-quality projects within the fast-paced commercial sector, where time is critical, and there is no compromise on quality. We understand that image is a key brand differentiator, which is why we take the time to fully grasp our clients' specific needs and aspirations, developing tailored strategies to transform these requirements into successful outcomes.

Our portfolio includes the successful completion of office, commercial, and retail schemes, encompassing restaurant, hotel, and gallery projects.

Whether working under a traditional or design and build contract, we provide practical solutions, employ the most efficient methods to ensure timely delivery, and remain committed to achieving the highest level of client satisfaction.
